I am a Phoenix-based UX Designer with an interest in developing straightforward and intuitive experiences. I also enjoy front-end coding.

Skills

UX/UI Design
Visual Design
Wireframing
Project Management
User Research/Testing
Brand Strategy
Front-end Development
Japanese

Primary Tools

Figma
Usability Hub
GitHub
HTML, CSS, JavaScript

Projects

InStereo

A UX design project based around a potential music-based cloud storage app. Utilized Google questionnaires to conduct research, then built and iterated on design frameworks using Figma.
